To Whom It May Concern:

Thursday, February 11, 2021 marks the date of our upcoming annual Chinese New Year Celebration. Out of immense concern for the health and well-being of our supporters, this year's celebration will be FULLY VIRTUAL for the first time ever! We'll be ringing in the Year of the Ox with you in the comfort of your home. Guests will tune in LIVE to see our presentation, fun entertainment, and participate in the popular live auction and paddle raiser for rural school support – hosted by former Denver Bronco, Reggie Rivers.

We are once again seeking support from the corporate and business community – as well as philanthropic individuals and families – through sponsorship of this event. In this unprecedented year, your support is more important now than ever! Schools are facing unique challenges, and your sponsorship will give communities served by the Nathan Yip Foundation the gift of continued educational support in unchartered territory in the face of uncertainty with school funding.

Funds raised through this event will go directly to our projects in rural communities throughout Colorado and China, as we will be commemorating 19 years of providing education access to underserved youth. Our goal is to give students the tools necessary to become productive, contributing citizens within their communities.

To date, the Nathan Yip Foundation has built and supported nine schools, three orphanages, two dormitories, and two cafeterias to support the educational needs of underserved children throughout the remote areas of China. In Colorado, the foundation has partnered with 24+ rural communities to provide students and teachers with support and equal access to educational resources. Projects have ranged from technology upgrades, to vocational training, to professional development for teachers – enabling them to bring innovative education practices to their rural students.

Please see the attached document for detailed sponsorship opportunities, and don't hesitate to reach out to our office with any questions.

Warmly,

Tarika Cefkin
Executive Director
